

Health Advisors, Swiss Cottage & Balham

MyHealthcare Clinic (www.myhealthcareclinic.com) provides integrated healthcare services (private doctor, dentist and specialist consultants, all 'under-one-roof') to a customer base that values high quality personalised healthcare.

We are an award-winning medical group focussing on exceptional clinical care coupled with a 5* service and clinic experience.

The Role

- We are looking for well presented, customer focused, enthusiastic, friendly health advisors with a desire to advance their career within a fast-growing entrepreneurial healthcare company. You will join our friendly team of staff working as part of the clinical team.
- With the training provided you will provide support and education to our clients on how to live healthier lives both physically and mentally.
- Providing first class customer service and care to our clients will be your priority.
- We value long term joiners and support staff in their personal development and progression in our business.
- **Start date: March 2024**
- **Location: Swiss Cottage and Balham**

Key Responsibilities

- Support the service delivery of Health Assessments to clients
- Maintain accurate client records
- Promote and encourage a healthier lifestyle in accordance with the companies clinical guidelines
- Carry out clinical testing including; body composition analysis, spirometry, heart rate monitoring, gas analysis, diabetes blood test markers, blood pressure measurement, cholesterol profiling, anaemia blood test markers, electrocardiograms, audiometry, functional movement screening.
- Create individual health and wellbeing plans

Key Skills / Qualifications needed for this role:

- Educated to degree level or equivalent in (ideally but not mandatory) exercise physiology/sports science/ nutrition.
- Customer service experience. This could be from retail, hospitality, healthcare or other relevant industry. Healthcare experience not required.
- Efficient worker with excellent time management and organization skills with a strong attention to detail

- A true team player with excellent attitude to their work
- Excellent written and spoken English skills (does not need to be first language)
- Must have a flexible nature and be motivated to work within a high-growth, evolving company

We actively celebrate the diversity of our colleagues and provide an inclusive environment. We will make sure you are treated fairly regardless of disability or circumstance.
