

Private GP, Birmingham

An excellent opportunity has arisen to join our ever-growing team of private GPs at MyHealthcare Clinic.

About Us

MyHealthcare Clinic (www.myhealthcareclinic.com) provides integrated healthcare services (private doctor, dentist, and specialist consultants, all 'under-one-roof') to a customer base that values high quality healthcare. We are an award-winning medical group focusing on exceptional clinical care coupled with a 5* service and clinic experience.

Working as part of a friendly and committed team, you have an important role in providing this increasingly popular service to our Patients.

The Role

We are looking for GPs to work at our clinic in Birmingham City Centre.

These are regular weekly sessions (minimum 2 sessions). This is a great opportunity to join an established and reputable healthcare provider and expand the applicant's portfolio of clinical work. This work will work well alongside existing roles in the NHS (most of our clinicians work in both the NHS and private sector).

Key facts

- 20-minute appointments
- No home visits
- Modern air conditioned and well-located clinics
- £13-15k per session per annum (minimum 2 sessions) depending on experience
- Self-employed role with regular committed weekly sessions
- Excellent team morale and support provided
- Minimal admin work
- Appointments are a mix of face to face, telephone and video
- The role is open to all levels of experience
- Opportunity for career progression - open to GPs who wish to enter private practice in a supportive environment
- Additional skills welcome and can be built into specialist clinics e.g minor surgery, family planning, coil/implant fitting, menopause, aesthetics etc.

Requirements

- GMC Registered Doctor with a licence to practice
- Newly Qualified GPs welcome to apply
- Confidence in working independently
- A real passion for patient care and delivering a 5* level of clinical service

- Excellent communication skills and ability to create a calm enjoyable environment for the patient and staff
- Candidates must have MRCP

Diversity

We love diversity and we value your difference, your unique skills, knowledge, and experience. Becoming one of our people may realise your potential and help us to raise our performance in delivering world class healthcare to the diverse patient populations we serve.

We look forward to hearing from you and considering your application.

Job Type: Part-time

Salary: £130,000.00-£150,000.00 per year

Schedule:

- Monday to Friday
- Saturday AM clinics (on a rolling rota or regular sessions)

Work Location: In person

If you wish to submit your application, please click the apply button and send us your CV.
